Good Job!

Support Our Troops

Dan [redacted] is collecting the following for our men and women in the military overseas: envelopes, tablet paper, pens ,stamps ,boxed cameras, sun glasses, hand wipes, suntan lotion (spf30 or greater) , insect repellent. He would like to ship these out by May 13th. If we could have everything by the May 8th troop meeting that would be great!! (you can bring in before then too) Any questions call Dan [redacted] [redacted]

Summer Camp Clothing

We will be silk-screening t-shirts with the troop logo for camp. We ask everyone to bring in t-shirts of various colors (no pocket T's) and they will be silk-screened. This is a great way for the Scouts to acquire class B uniforms. Look for details soon in your mailbox. Also, we will be ordering T-Shirts and sweat-shirts and hats, these are different that the silk-screened T-shirts , these will be embroidered with the logo and look great! (great for those chilly nights at camp) Look for information on these also!

Camp Fees Due

Summer Camp Fees are due by May 8th at the latest. Information will be coming about how much you have in your account (in your mailbox).

PLC Meeting

Remember, the Patrol Leaders Meeting is the first Tuesday of the month. The Patrol Leader and Assistant Patrol Leader need to attend - 7pm at St John's.

Remember, dress appropriately

Class A Uniforms need to be worn at troop meetings. We will go to class B Uniforms for the Summertime. Mr. P. will let you know when you can 'dress down' for the summer!
