Parent Information Forms

Parents: Please find attached a copy of Parent Information Form. If you could please fill this out and return it . What is this for? This is for when a Tour Permit needs to be filled out. Instead of getting this information at the last minute this will help streamline the paperwork flow to council for when we need a Tour Permit. Questions? You can ask at the Parents Meeting on May 5th!!!

NRA Gun Club Youthfest will be held on June 18th. Keep an eye out on the bulletin board for additional information or contact Mr Al Bongartz.

Boards of Review

Scouts, you must request a Board of Review from Mrs Sudsina. She will set up the date of when it will be. As a general rule, we will always try to schedule a Board of Review on the 4th Thursday of the Month. The Board of Review is *after* your Scoutmaster Conference. They do not occur on the same day. Please make sure at your Scoutmaster Conference that your books are signed off and up to date!
